Hello. I'm Karen from the UK. I'm 10. I live in England in small seaside town Woodingdean, near Brighton. It's great for a holiday! There is a harbor and fishing port. There are Italian cafes near the harbor where you can eat and drink cappuccino watching the sailing boats and the large yachts. It takes only 15 –minute direct bus journey to get to the center of Brighton. There are lots of shops and shopping malls. There's also a large beach. You can swim and sunbathing. You can watch sea birds on the beach and take beautiful photographs. My favorite birds are eagles because they're strong, clever and nice. Near the town there are some large hills and beautiful white cliffs. You can walk in the hills but you can't ride bikes. There is the Palace Pier in Brighton. From here there are several trains that run to Gatwick Airport and to Victoria train station.
